Capex of INR 402.0 cr was deployed: 238.5 cr fleet, 96.3 cr warehousing, 41.7 cr IT, balance 25.5 cr misc. (Sum check: 402.0.)

Net debt/EBITDA closed at 1.7x vs covenant of 2.5x. Interest cover 5.9x.

Customer concentration: top-5 clients 38.2% of revenue; largest single client 12.6% (anonymised as C-07 in Annexure B).

Subject: RE: RE: FW: Q4 numbers - which version??

Hi all, the number in the deck (4,812.6) includes the toll pass-through. If we go ex-toll then it's 4,794.2 as per Anita's note. Audit wants 4,791.9 after they knocked off 2.3 cr for a cut-off issue (Pune, 30-31 Mar). I'd go with the audit number in the final. Also East closure: 49 days not 52.
